

Creation

Bible

Genesis 1-3
Read a Children's
Bible version
together.

Activity

Make a Garden picture
out of things you find
on your walk or in your
garden.

Or spend some time
looking at what you
can see out of your
window.

Talk

Talk about how God
made everything,
including them!

Talk about your
favourite things in
creation.

Prayer

"Lord, thank you
that you made
everything including
me and want to be
my friend. Amen."

Activity Example

I suggest you look for things on the ground rather than pick from trees and flowers.
